Dear Friends,

The New Year is here and we are all energized to get started. We are touched and honored to have so many friends who believe in the value of this mission. Thanks to your support, we have been able to continue honoring families with quilts of comfort. Everyone who has participated in helping has made a huge impact on these families' lives. You help inspire us all to continue this mission which is now going on its 15 years. We have now given a total of 8,376 quilts. We hope you still choose to walk with us in the journey of caring.

You can help Freedom Quilts by entering into this year's annual quilt raffle. It's a chance to support our mission and win a beautiful quilt. With every \$25.00 donation your name will be entered into the drawing. For example, if you donated \$50.00 we enter your name twice and so forth. You can also give any amount as a donation to keep this project going.

100% of your donation goes directly to supplies, materials, shipping and expenses to keep the project going. Our all-volunteer staff dedicates hours of time, compassion, and commitment to this mission. My goal is to always let families of our fallen heroes know that this country does care.

You can visit our website www.freedomquilts.net to keep up with what Freedom Quilts is doing and to see the 2017 raffle quilt display. Please email me at debeniel@ncn.net if you have questions, or if you just need to know how everything is going along, or even just to come by and visit the shop.

Last year's winner was Don Beneke of Pocahontas IA. We raised enough funds to cover the cost of quilting supplies, expense, shipping, and a beautiful ceremony for some of the fallen heroes' families that came to Iowa. We hope to do that again this year with your help. We hope to comfort heroes' families with your help and let them know that this country stands by them.

Thank you for your friendship and support

Sincerely,

Betty Nielsen
